MAGAZINES GALORE!
ZINIO, THE WORLD'S LARGEST DIGITAL NEWSSTAND @ YOUR LIBRARY

Hyattsville, MD -- Is your favorite magazine missing from library and/or store shelves, again? Fret no more. Zinio and your local library to the rescue! Zinio is Prince George's County Memorial Library System's online magazine service with more than 200 titles for your reading pleasure. Absolutely free! The top 10 magazines read last month by our Zinio subscribing customers were Consumer Reports, Star Magazine, O, The Oprah Magazine, Martha Stewart Living, Cosmopolitan, Newsweek, Women's Health, 100 Decorating Ideas Big Style for Small Rooms, The Economist, and OK! Magazine.

Want to join the fun! On any computer or internet-enabled mobile device (see our website devices listing under Download Magazine link), visit www.pgcmls.info [1], click on the Zinio icon, use your library card number to set up a Zinio account, and begin enjoying magazines on demand, anywhere, anytime. Be sure to use the same email for both your library and Zinio accounts as that is how they are linked. Don't have a computer? Visit a local library near you and log on to one of ours with your library or computer access card. Either way, you will have your favorite magazines at your fingertips in no time.

About Prince George's County Memorial Library System
Prince George's County Memorial Library System provides materials and information for study and personal enrichment. We offer strategies for lifelong learning through access to varied media and professional guidance by our staff. We focus all resources on the needs of our customers. With 19 branches, the Library welcomes more than 3 million visitors and circulates nearly 4.9 million items annually. Core Library programs include: Storytimes, Book Discussions, Meet the Author, Teen Advisory Board (TAB), Chess Clubs, Read to Rover and Game On. To learn more, visit our website at www.pgcmls.info [1].

About Zinio
Zinio, the world's largest newsstand, creates more effective ways for people to access published content and as a result has revolutionized reading. The company, founded in 2001, is headquartered in San Francisco, CA.
